

# SIZE CHART

**BRAGARD**  
Be your best

## How to Measure

It is important to measure every member of your staff correctly. That way a fit, as close to 'made to measure' as possible is ensured. The tape should be snug but not tight. Don't worry about allowing inches for movement, all our designs take this into account. For a fit that will stay comfy all day long, always consider sizing before ordering. The correct fit should provide freedom of movement and optimum comfort.

## The right size for her
